| <b>Councillors Present</b> | Robert Dixon, Jacqui Colbourne, Jenny Innes (Chair) Angela McNally and David Neale |
| <b>Also Present</b>        | 5 members of the public and Sue Cook (Clerk)                                       |

**20/070 There were no Apologies**

**20/071 There were no Declarations of Interest.**

**20/072** Cllr Innes explained that this meeting was due to CBC arranging a virtual Development Control Committee meeting on Tuesday 23<sup>rd</sup> June to discuss the **Cowthick Plantation Application**. The Clerk has requested that a member of Sudborough Parish Council be allowed to have a 3-minute slot to speak at this meeting to outline their concerns.

Cllr Colbourne explained the format of the Development Control Committee Meeting, in that the Planning Officer will present his/her report, there will then be time given over for registered members to speak and then the Borough Councillor Committee Members will vote on the application.

County Councillor Wendy Brackenbury has requested a slot and will be objecting to the application on behalf of her constituents (Thrapston Lakes Ward). She will be asking for a traffic survey to be conducted along the A6116 before any decision is made.

A representative from ENC Planning Department has also requested a slot and will be objecting very strongly to the application on behalf of ENC.

Many issues were discussed, and it was pointed out that it is not too late for residents to submit further objections to CBC. In that connection, it was agreed that a resident who had received a helpful email about the A6116 from the NCC Cabinet Member for Highways should be asked to forward the email to CBC under cover of a further letter of objection.

There is not enough evidence from the developer and the decision on the application should be deferred until more information is available.

It was resolved that the Clerk should contact CBC for confirmation if there is a slot been allocated to Sudborough Parish Council.

It was resolved that Cllr Innes, Colbourne and Dixon along with Mr Ben Reed should meet, at a safe distance, Wednesday morning to draft up the bullet points in preparation for the meeting at which Cllr Innes will speak on behalf of the Parish and other Parish Councils along the A6116 corridor.

**20/073 Date of the next Full Parish Council Meeting: Wednesday 22<sup>nd</sup> July 2020**

There being no further business, the Chairman closed the meeting at 8:00 p.m.

**Confirmed that the minutes are a true and accurate record**
